

UC San Diego

American Chemical Society Student Affiliates presents

# NOBCChE Travel Award for Undergraduate Chemistry Majors

Applications due Monday, May 29th, 2023 at 11:59 pm PST

## NOBCChE's 50th Annual Meeting Sheraton in New Orleans, Louisiana Sep 11 - 14, 2023

Would you like the opportunity to network and participate in scientific dialogue with chemists and biochemists of color? Our organization will sponsor two undergraduate chemistry majors to attend the **Annual Conference of National Organization for the Professional Advancement of Black Chemists and Chemical Engineers (NOBCChE)**.  
<https://www.nobcche.org/conference>

### *Eligible Students:*

Must be enrolled full-time as a CH major and in good academic standing at the time of the conference. We particularly encourage applications from students who are from groups traditionally underrepresented in the Chemical and Biochemical Sciences.
